METHODOLOGY:

The sample size for the survey is 550 registered voters taken from a listed sample of registered voters who voted in the 2010 or 2012 general election or registered since the 2012 general election. The margin of error is +/- 4.2%. 436 interviews were completed using automated telephone technology and 114 were conducted using mobile based survey technology. All interviews were conducted September 15– September 16, 2014 by Vox Populi Polling. The total percentages for responses may not equal 100% due to rounding.
